

National Council for the Social Studies
SKILLS *for* CIVIC ACTION

[1994]

INSTRUCTIONS: Use this chart to help you consider the 1994 NCSS Skills for Civic Action framework as a tool for knowing when to use strategies. To provoke students to engage in behavior that permits the demonstration of these particular skills, which strategies are best? List them under the appropriate heading. Keep in mind that some strategies may belong with two or more of the Civic Action Skills.

Acquiring Info/Manipulating Data	Developing & Presenting Arguments and Stories	Constructing New Knowledge	Participating in Groups
